#### **Total: 64 Reports (Prior to UCR Reclassification)**

---

Data for this report were extracted from the geographic based dataset of police incident reports. The data have NOT been re-classified according to UCR guidelines; re-classification WILL change the total number of incidents. "Attempt" report types have not been included in this analysis. Due to a backlog in data transcription, all reports may not be represented. Addresses have been generalized for locations in which sex offenses occurred, as these offense locations are not public record. Narcotics Investigation are not presented on this report.

Reports to common addresses (3821 Industrial Boulevard) have been excluded from this analysis.

This report presents data from the CrimeView dataset of MECA run records where the CAD Run Code field contained the value "SHOT\*" and does not necessarily mean shots were actually fired only that someone heard what they thought were shots and called 911. Records were selected geographically based on the Council 6 Voting District. Run data are preliminary, and information contained on this report should be used with care.
